

Children's Holiday Workshops

An ideal opportunity for aspiring young potters to work with professional, ceramic artists.

Create in the unique environment of a working pottery.

Experience hands on real clay and an exciting variety of making techniques.

Fabulous themed workshops include either a go on the potter's wheel or work with coloured slips.

Small friendly groups ensure maximum attention from our experienced team of potters, always on hand to guide and offer advice.

Big emphasis on having fun and learning via enjoyment.

Fantastic results every time. Your child's clay masterpiece will need to dry thoroughly before it can be fired. Collection times will be issued on the day of the workshop.

The 1 ½ hr sessions are specially designed to suit two age groups: 4-8yrs and 9-12yrs.
